Prioritization 8.0 Modal Candidate Project Lists Alex Rickard, MPO Staff

CAMPO staff have begun the development of the candidate projects for Prioritization 8.0 (SPOT 8). These projects, along with the existing projects in the SPOT database, will be given technical scores by NCDOT and be eligible for local input points from the MPO next summer.

As part of the development of the candidate projects lists, CAMPO issues a call for projects for bicycle & pedestrian, public transit, and aviation projects.

The MPO's SPOT subcommittee will meet in June and July to review draft candidate lists prior to presentation to TCC and the Executive Board.

The P8 modal candidate project lists will be posted on the MPO's website for public review and comment at <http://campo-nc.us/funding/spot/prioritization8>. A public hearing will be scheduled for August 20, 2025, at the Executive Board meeting.

Requested Action: Receive as information. Submit requested bicycle & pedestrian, public transit, and aviation projects to the MPO for consideration.
