NCDOT Strategic Transportation Corridors - Corridor P Resolution of Support

Dominique Boyd, NCDOT

NCDOT has completed the Master Plan Vision Statement for Corridor P, I-40/Future I-42/U.S. 70 from Wake County to Port of Morehead City, as part of the Strategic Transportation Corridor (STC) visioning process. NCDOT has engaged with the MPOs, RPOs, and other stakeholders through this process. NCDOT is asking CAMPO to sign a resolution supporting this vision. Since the project was suspended during Covid, they are meeting again with CAMPO to refresh them on this process and proposed vision.

Requested Action: Adopt the Resolution of Support.
