Ben Howell, MPO Staff

The Recommended 2035 Wake Transit Plan, guiding transit investments in Wake County for the next 10 years, has been completed by the consultant and was released for a 30-day public comment period by the TPAC at its meeting on August 28, 2025. The 30-day public comment period runs from September 5 through October 5, 2025, with this Joint Public Hearing on the Plan with the GoTriangle Board of Trustees.

The Plan appendices will be provided following adoption of the Plan and action on the Microtransit Guidelines, Project Prioritization Guidance and the Community Funding Area Program Management Plan. The TCC, Executive Board and GoTriangle Board of Trustees will receive a presentation of the engagement summary and be asked to recommend the Plan for adoption at their meetings in November.

Requested Action: Hold the Joint Public Hearing with the GoTriangle Board of Trustees in attendance.
