NCLM Insurance Pool Program

Chris Lukasina, MPO Staff

CAMPO is required to carry appropriate levels of insurance coverages across a variety of areas. The various levels of required insurance coverages are determined by the size of the organization and requirements of CAMPO's lead planning agency agreement, the CAMPO office lease, and state law. CAMPO has worked with the North Carolina League of Municipalities to secure the various insurance coverages. This will require CAMPO to enter into the property-liability and workers' compensation pool coverages. A copy of the interlocal agreement and required resolutions are attached to this agenda item.

Requested Action: Approval of the interlocal agreement and resolutions and enter into NCLM insurance pool program.
