Shelby Powell, MPO Staff

The Transit Planning Advisory Committee (TPAC) finalized a recommended FY 23 Work Plan at their April 20, 2022 meeting. A draft Work Plan was developed and released for partner and public comment during February and March, and the input received from that effort will be used to shape the final recommended Work Plan for FY 23. A public hearing will be held on the Recommended Work Plan during this meeting, and final adoption of the Work Plan is anticipated in June 2022.
