SPOT 7.0 - Division Needs Project Programming & Draft 2026-2035 STIP

Daniel Spruill - MPO Staff

NCDOT released the technical scores for all SPOT 7 projects on May 24, 2024 and during December of 2024 the results from programming Statewide Mobility, Regional Impact, and Division Needs Tiers projects were released. These projects were programmed based on their technical scores and Local Input Points submitted over the Fall.

These projects have been programmed within the 10-year State Transportation Improvement Plan (2026-2035 STIP) by NCDOT which is expected in Draft form January of 2025. This document shows the rough timeframe of projects and their stages.
