Shelby Powell, MPO Staff

The FY 2025 Unified Planning Work Program (UPWP) was adopted February 21, 2024, and received a minor administrative modification on June 11, 2024. This Amendment to the UPWP includes the recording of federal funding for transit planning projects in the region that will occur in FY 2025.

GoTriangle will utilize \$90,000 of federal 5307 funding from the CARES Act to conduct route restoration planning activities in the MPO area. No local match is required for these funds.

GoRaleigh will utilize \$16,269,200 in 5309 funding from the Capital Investment Grant program to conduct project development activities for the Western and Southern Bus Rapid Transit corridors. This will be matched by \$4,067,300 in local funding from the City of Raleigh.

This Amendment is available for public review and comment from August 19 - September 17, 2024. No public comments have been received. The TCC has recommended adoption.
