**Wake Bus Plan Project Prioritization Policy**  
Anna Stokes, MPO Staff

CAMPO has been tasked with updating the Bus Plan Project Prioritization Policy (PPP) as part of the Wake Bus Plan update process led by GoTriangle. The PPP is a critical tool needed by the Bus Plan Update team to establish each transit provider's short-range transit investment plans. The purpose of the Wake Bus Plan Project Prioritization Policy is to be a decision-making framework that provides: transparent and easily understandable process for making choices between competing investment needs; guidance on the development of the 10-year bus service and capital investment plan prepared through the Wake Bus Plan; and an optional process that may be used by the TPAC to adjust bus service and the capital investment program outlined by the Multi-Year Bus Service Implementation Plan (MYBSIP) to reflect changes in available funds, new or substantially modified project requests, or other needs in the region.
