2. Adjustments to the Agenda

An adjustment was made to the agenda to add item 7.2 Fastlane Grant / U-4437 / H090472

3. Public Comments

There were no public comments to the agenda

4. Minutes

4.1 TCC Minutes: March 3, 2016 meeting

Requested Action: Approve the March 3, 2016 meeting minutes.

Attachments: [TCC Minutes March 3, 2016](#)

A motion was made by Member Darcy Downs, seconded by Member David DeYoung, that this item be approved.

5. Regular Business

5.1 Raleigh-Cary Rail Crossing (RCRX) Study
Shelby Powell, MPO Staff

Requested Action: Recommend that the Executive Board endorse the recommendations from the RCRX Study pending no adverse comments from the public, the City of Raleigh, Town of Cary or other project partners and stakeholders.

Attachments: [RCRX Executive Summary](#)

Ms. Powell noted that the recommendations for the RCRX Study had been presented to the TCC at their March meeting, and a public comment period was underway. The Executive Board will conduct a public hearing on this item at their April 20 meeting, and will be presented with recommendations at that time. The draft report is on the website.

A motion was made by Member Todd Delk, seconded by Member Tyler Bray, that this item be recommended for approval pending the April 20 public hearing. The motion carried by a unanimous vote.

5.2 Public Participation Plan Update
Paul Black, MPO Staff

Requested Action: Conduct public hearing on updates to the Public Participation Plan and approve the update with incorporated comments from the hearing as needed.

Attachments: [Pages from CAMPO Public Participation Plan ONLY-post First FHWA review](#)

Mr. Black described how the MPO involves the public in the developing transportation plans and related policy documents. Mr. Black also had looked at the "best-practices" plans from around the state and similar MPOs around the nation.

The document presented here today does 4 things:

- Consolidates the 2 plans into a single document*
- Updates the format of the documents to be more user-friendly and easy to understand*
- Updates specific parts of the document to reflect improvements in the planning process and recognize changes in modern communication and media.*
- Every plan needs a goal, and our already adopted Strategic Plan and draft MTP have PPP goals to inform this plan; Strategic Plan goals/measures folded in by reference*

Placeholder reference for 2045 MTP goals & measures; draft goals have PPP-specific goal and related objectives/measures to tie in once adopted

Under the last bullet, substantive changes include:

- Revision of the methodology to determine "Communities of Concern" for the Title VI/Minority/Low-income/LEP Plan*
- Adding or making clearer what the public participation requirements are for adopting, amending, or correcting plans or other required documents. This was mostly clarifying application to sub-plans or processes not directly addressed in the current plan.*
- Staff released the draft Public Involvement Plan Update for public review and comment from February 25, 2016 through April 20, 2016 and is preparing for the public hearing at the April 20, 2016 Executive Board meeting.*

A motion was made by Member Danny Johnson, seconded by Member David DeYoung, that this item be recommended for approval.

5.3 **FY 2016-2025 Transportation Improvement Program - Amendment #3**
Danna Widmar, MPO Staff

Requested Action: Receive as information.

Attachments: [TIP Amendment #3](#)

Ms. Widmar presented an updated spreadsheet and explained the only difference is the addition of CTran projects at the end of the spreadsheet. Ms. Widmar explained the format of the amendment and indicated that most of the projects included on the first several pages were requests made by NCDOT. She also indicated that three project amendments requested by NCDOT were excluded from CAMPO TIP Amendment #3, pending additional information. This includes the Morrisville project, which is a joint effort between Division 5 and Morrisville. Danny Johnson asked if R-5705 (NC 55) reflected the most current thinking. Ms. Widmar indicated that R-5705 Part C is included in this amendment and there will be a Part D, pending additional discussions with NCDOT. Mr. Johnson asked for more clarification and Ms. Widmar indicated she would follow up by providing NCDOT email communications with Mr. Johnson which reflect current thinking on the project. With no additional questions, the agenda item was received as information with the public comment period opening on April 18, 2016.

This TIP Item was received as information.

5.4 **FY 2016 Enhanced Mobility of Seniors and Individuals with Disabilities
(Section 5310) Program “Call” for Projects**
Kenneth Withrow, MPO Staff

Requested Action: Receive as information.

Attachments: [Draft 5310 Application 2016](#)

Mr. Withrow presented background information on the Raleigh Urbanized Area Section 5310 program, the intent of the Section 5310 program and provided an update on the FY 2016 call for projects and process for project selection. Mr. Martin then mentioned that CAMPO is in the process of putting together a project selection committee that will review project applications following the call for projects and present those recommendations for consideration to the TCC and Executive Board at their May meetings.

5.5 FFY 2016 FTA Section 5307, 5340, and 5339 Distribution

Bret Martin, MPO Staff / David Eatman, GoRaleigh

Requested Action: Recommend the Executive Board consider approval of the sub-allocation of FFY 2016 Section 5307, 5340, and 5339 funds in the amounts shown in the attached letter.

[FY 2016 Section 5307-5340 Worksheets for Raleigh UZA Only - Agenda](#)
[FY 2016 5339 Worksheets for Raleigh UZA Only - FULL](#)

Mr. Martin presented the item and mentioned that the federal formula transit grant sub-allocation methodology MOU determining distribution of the Raleigh UZA's Section 5307, 5339, and 5340 funding will be revisited between November 2016 and March 2017. The purpose of the review will be to make adjustments to account for a potentially new local revenue source that may be decided by Wake County voters that would be used to support projects for which federal funding tiers are not included in the existing intra-UZA sub-allocation formula. It would also be updated to account for changes that have occurred to the federal inter-UZA sub-allocation funding formulas based on changes to programs from SAFETEA-LU to MAP-21 to the FAST Act.

A motion was made by Member David Eatman, seconded by Member Darcy Downs, that this item be recommended for approval.

5.6 P4.0 (SPOT) Regional Impact Point Assignment

Alex Rickard, MPO Staff

Requested Action: Receive as information.

Mr. Rickard reported that the NCDOT had yet to release the DRAFT Statewide Mobility projects or the technical scores for all of the SPOT projects. Mr. Rickard reported that NCDOT has not provided any comment on the delay but that adjustments to the prioritization schedule are anticipated.

Mr. Rickard provided a brief explanation of how the MPO staff creates the initial Regional Impact point assignment. These steps include reviewing the estimated amounts of available funding for each of the separate funding competitions (Regions A & C and Divisions 4,5,& 6), reviewing Statewide Mobility projects for the potential to cascade, applying the adopted Target Modal mixes, then calculating the minimum competitive scores for each funding competition.

Mr. Rickard reported that the DRAFT Regional Impact point assignment would be posted to the CAMPO website and sent to the membership as soon as possible once the technical scores are released.

CAMPO will hold a Prioritization Training Session on April 20th from 2:00 to 3:15 PM in the large conference room prior to the Executive Board meeting. Interested parties are asked to RSVP to Mr. Rickard.

5.7 Wake County Transit Investment Strategy Update

Bret Martin, MPO Staff

Mr. Martin distributed the most recent draft of the Wake County transit governance interlocal agreement to the TCC, as well as a sheet with a summary of changes between the last draft released and the most recent draft. Mr. Martin then proceeded to present information on:

- 1) Previous points of discussion regarding governance between the Executive Board and TCC;*
- 2) A review of transit/transportation tax district models applicable to Wake County;*
- 3) A review of the components of the draft transit governance interlocal agreement, including roles and responsibilities of each party or other implementing entity and the roles and responsibilities of a transit planning advisory committee;*
- 4) A summary of what has not been determined by the draft interlocal agreement or governance structure discussions to date; and*
- 5) A proposed schedule for public comment and action to be taken on the Wake County Transit Financial Plan and the interlocal agreement by the three parties.*

A motion was made by Member Danny Johnson and seconded by Member Eric Lamb to recommend that the Executive Board set a public hearing date for its consideration of the Wake County Transit Financial Plan and Interlocal Agreement.

A motion was made by Member Danny Johnson, seconded by Member Eric Lamb, that this item be discuss and provide comments on potential schedule, draft plan, and draft ILA and recommended that the Executive Board set a public hearing date for its consideration of the Wake County transit Financial Plan and Interlocal Agreement for approval.
