Public Engagement Update on Tolling Options for U.S. 1 North
Daniel Spruill, MPO Staff

At CAMPO's March Executive Board meeting, the Board directed CAMPO to conduct public engagement on the options for tolling US 1 North from I-540 to Purnell/Harris Rd just south of the Wake/Franklin County line as presented by the North Carolina Turnpike Authority. This project would be the extent of NCDOT project U-5307 segments A, B, C, and D. CAMPO has developed a strategy and launched the public comment period on April 7th and will continue through May 14th. The website and survey can be found at https://www.publicinput.com/US_1_TollingOptions. CAMPO will conduct two drop-in information sessions for the public on:

April 30th 5-7PM
Abbotts Creek Community Center
9950 Durant Rd, Raleigh, NC 27614

May 5th 5-7PM
Wake Forest Renaissance Center
405 Brooks St, Wake Forest, NC 27587

CAMPO will work with the impacted communities to help increase awareness and knowledge on the topic.

Requested Action: Receive as information and consider recommendation to the Executive Board for action.
