Re: NCDOT 2024-2033 STIP

Dear Mr. Lukasina:

I am writing on behalf of the Franklin County Board of Commissioners to express our County's support for the current draft 2024-2033 NCDOT State Transportation Improvement Plan (STIP). On October 3, 2022, the Franklin County Board of Commissioners unanimously adopted the attached Resolution in support of the draft STIP. In addition, two projects are specifically noted with a request to be evaluated for inclusion into the 2024-2033 STIP for right-of-way and construction.

As the fourth fastest growing County within the state, transportation is a critical component of improving our County's overall infrastructure and seeking solutions to address growth. Franklin County appreciates the support from our respective planning organizations, elected officials, Towns and NCDOT as we continue to develop a diverse and thriving economy together.

Sincerely,

Kimberly B. Denton
County Manager
