Resolution to Endorse Statewide CMAQ Funding Application

Chris Lukasina, CAMPO Staff

A partnership between GoRaleigh, GoTriangle, and NCDOT is submitting an application for statewide CMAQ funding. This funding would be used to implement 125 parking spaces to RUS Bus for Intercity and Commuter rail and will include a partnership with the site developer on technologies so that can integrate train ticket sales with pre-paid parking. A draft resolution of endorsement by the CAMPO Executive Board has been requested by the partners.

Requested Action: Approve a resolution of endorsement for the statewide CMAQ program application.
