FY 2023 Period of Performance Extension Requests

Evan Koff, MPO Staff

The Wake Transit Work Plan Amendment Policy calls for a special amendment request cycle to be included on the annual Work Plan Amendment Schedule to allow project sponsors to request period of performance (POP) extensions as needed. As per the amendment policy, no public or subcommittee review is required for the special POP amendment cycle. CAMPO and GoTriangle staff have reviewed and are recommending that ten (10) previously funded projects receive agreement extensions to December 31, 2024, or December 31, 2025, respectively.

Requested Action: Approve the ten (10) recommended period of performance extensions for project agreements set to expire in FY2024.
