### **Triangle Regional Travel Survey Update**

Nita Bhawe, TRM Service Bureau

The Triangle Regional Model Service Bureau (TRMSB) serves as a coordinator for regional travel data collection to support the Triangle Regional Model. The TRMSB is housed at ITRE and is a cooperative venture between CAMPO, DCHC MPO, GoTriangle, and NCDOT. Historically, this partnership has collected various travel related datasets used to support travel forecasting efforts in the region. Nita Bhawe will be presenting an update on these efforts and recent travel trends in the Triangle region.
