### FFY 2022 FTA Section 5307, 5340, and 5339 Distribution Crystal Odum, MPO Staff

Each year, the Federal Transit Administration (FTA) apportions formula grant funding for use within the Raleigh Urbanized Area (UZA) to a locally selected and federally recognized designated recipient. These funds include the Section 5307, 5339 and 5340 programs. The City of Raleigh is and expects to continue to function as the designated recipient of these formula grants for the Raleigh UZA. The designated recipient is responsible for coordinating with the other providers of public transportation services in the Raleigh UZA and the MPO to develop a sub-allocation method for distributing annual formula funds received from the FTA. The MPO is also required to concur with the designated recipient's annual sub-allocation of formula grants to eligible providers.

In April 2017, the CAMPO Executive Board adopted an updated Memorandum of Understanding (MOU) between the City of Raleigh, Town of Cary, GoTriangle, Wake County and CAMPO. The MOU serves as the MPO and designated recipient-endorsed sub-allocation policy of federal formula transit grants apportioned to the Raleigh UZA. The 2017 MOU, first applied to the Federal Fiscal Year (FFY) 2017 Raleigh UZA apportionment, applies for five (5) years *from the date of the latest MOU signature* to provide a level of consistency and financial planning certainty to the providers receiving the funds. The existing MOU is expected to be updated early in the upcoming fiscal year following the release of 2020 Census data and before the FFY2023 full apportionment in the Spring.

For FFY 2022, FTA Section 5307, 5340, 5339 full apportionments to the Raleigh Urbanized Area (UZA) were released in April 2022. The City of Raleigh as the federally recognized designated recipient of these funds and CAMPO staff have coordinated with the Town of Cary, GoTriangle, Wake County and CAMPO to develop the sub-allocation of these funding sources based on the most current MOU for the distribution of funding between the City of Raleigh, Town of Cary, GoTriangle and Wake County. Per FTA policy, the MPO must concur with the sub-allocation of UZA federal formula grants and the programming of projects that will make use of the funding and request that FTA disburse the requested funds to eligible direct grant recipients in accordance with the sub-allocation. Attached find the split letter and the pages from the sub-allocation worksheet that determines the amounts to be disbursed to each eligible direct grant recipient.

**Requested Action:** Approve the sub-allocation of FFY 2022 Section 5307, 5340, and 5339 funds in the amounts shown in the attached split letter to the FTA.
