To: Executive B

Projects U-5747 & U5750 and Traffic Management Plan

John Braxton, NCDOT Staff

Projects U-5747 (Widen McCrimmon Parkway and convert NC 54 from an at-grade intersection to grade-separated interchange) and U-5750 (Widen NC 54 from 540 to Perimeter Park Drive in Morrisville) both have an updated Let date of February, 2026.

With highways in that area serving as major commuting routes between Research Triangle Park and destinations to the east and south, the traffic management component will be a major issue in that area to manage.

Mr. John Braxton of NCDOT will address the following items regarding the projects: (1) project descriptions and their limits, (2) project cost, (3) town (of Morrisville) betterments, (4) the combined letting overlay of both projects, (5) traffic control concept, and (6) project schedule.

Requested Action: Receive as Information.
