FY 2024-2033 Transportation Improvement Program

Alex Rickard/MPO Staff

CAMPO staff updates the Transportation Improvement Program (TIP) every two years. A draft TIP has been completed that meets the federal requirement stating that the TIP and STIP must be identical.

CAMPO's public involvement policy requires that the draft TIP be released for a public review and comment period and that a public hearing be conducted to receive comment on the draft TIP.

An Air Quality Conformity Determination Report is required as a supplement to the TIP.

Staff has released the Draft 2024-2033 Transportation Improvement Program and supplemental Air Quality Conformity Determination Report for public review and comment from June 30, 2023 to August 16, 2023 and scheduled a public hearing at the August 16, 2023 Executive Board meeting.

Requested Action: Conduct public hearing. Adopt the Transportation Improvement Program 2024-2033
