Executive Director  
Capital Area Metropolitan Planning Organization (CAMPO)  
421 Fayetteville St., Suite 203  
Raleigh, NC 27601

**Subject:** City of Raleigh Bus Rapid Transit Project Sponsor Acceptance

Dear Mr. Lukasina,

The City of Raleigh is pleased to have this opportunity to respond to the letter received from the Capital Area Metropolitan Planning Organization (CAMPO) inviting the City of Raleigh to accept project sponsor designation for the Wake Transit Plan's Bus Rapid Transit (BRT) project corridors. According to the above-referenced correspondence dated August 20<sup>th</sup>, 2018, the CAMPO Executive Board voted unanimously to request the City of Raleigh to become project sponsor for one or more BRT corridors. The action was taken on August 15, 2018.

The Raleigh City Council reviewed CAMPO's request at the September 4<sup>th</sup> Council meeting and voted unanimously to accept the project sponsor designation and authorize the Mayor to communicate acceptance of the decision to CAMPO.

The City of Raleigh is excited about the opportunity to advance the implementation of the Wake Transit Plan; specifically, the Bus Rapid Transit corridors. We look forward to a continued successful partnership with our local and regional partners.

Sincerely,

A handwritten signature in black ink that reads "Nancy McFarlane". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Nancy McFarlane  
Mayor  
City of Raleigh
