### **Prioritization 6.0 Modal Candidate Project Lists**

Alex Rickard, MPO Staff

CAMPO staff and the TIP/SPOT subcommittee have developed the attached lists of candidate projects for Prioritization 6.0 (SPOT 6). These projects, along with the existing projects in the SPOT database, will be given technical scores by NCDOT and be eligible for local input points from the MPO next spring.

Staff will provide an update on the candidate project lists.

**Requested Action:** Conduct public hearing. Consider approval of draft lists for submission and direct staff to maximize coordination with Division Engineers which may result in alternate projects being submitted with Chair approval.
