Locally Administered Projects Program (LAPP) FY2022 Proposed Changes and Target Modal Investment Mix

Gretchen Vetter, CAMPO Staff

Each year, prior to the opening of the call for projects, CAMPO Staff and the LAPP Steering Committee convene to address any proposed changes to the Locally Administered Projects Program and to recommend a Target Modal Investment Mix. The FY2022 LAPP Steering Committee has recommended changes to the Locally Administered Projects Program. These proposed changes and Target Modal Investment Mix will be posted for Public Comment from June 10, 2020 through July 16, 2020. A Public Hearing was hosted at the July 15, 2020 Executive Board Meeting. The CAMPO Executive Board will consider approving the proposed changes to the program and the Target Modal Investment Mix, and open the One Call for All Call for Projects at their August 19, 2020 Meeting.

Requested Action: Consider approval of the LAPP FY2022 Proposed Changes and Target Modal Investment Mix. Open the "One Call for All" call for projects through October 30, 2020.
