Capital Area MPO Complete Streets Resolution

Kenneth Withrow, MPO Staff

On June 19, 2019 the CAMPO Executive Board adopted a resolution of support for the implementation of NCDOT's Complete Streets Policy in North Carolina. Strategies from the Complete Streets Policy would serve to implement strong multi-modal networks as the region's highway network is being constructed.

Staff has drafted a renewed Complete Street resolution specifically for CAMPO that: (1) encompasses recognition of past related policies, (2) shows support for complete streets history (i.e. the 2019 Resolution of Support), and (3) clearly states CAMPO's position on complete streets in modern terms (i.e. using "complete streets" instead of "universal access").

The resolution was introduced to the CAMPO Safe Routes to School (SRTS) Subcommittee at their July 17 meeting for their review and approval. The CAMPO SRTS Subcommittee approved the resolution; which will be presented to the Executive Board for adoption.

Requested Action: Adopt the Complete Streets Resolution.
