SPOT 6 Project Modifications

Chris Lukasina, MPO Director

Staff will present the final project modifications to SPOT 6 roadway projects submitted to NCDOT for prioritization.

NC 55 Bypass

H150418-C Widening from Holly Springs Rd to Technology Dr was replaced with H193265 Upgrade to Expressway from S Main to Technology Dr. The new Upgrade to Expressway project is anticipated to score higher than the previous Widening project. The project extent was also extended south from Holly Springs Road to South Main Street

NC 56

H140487-A Widening from Lyon Station Rd to S Campus Dr was replaced with H192836 Interchange Improvements at I-85/ NC 56. The new interchange project is anticipated to be more competitive than the previous widening project. The intent is to implement the recommendations identified in the NE 56 corridor study.

NC 55 / Broad Street Roundabout - H184385 (Submitted by Division 6)

Division 6 submitted the roundabout project at North Main Street and Broad Street in Angier, NC therefore the MPO submitted H192812 NC 50 / Rand Road Intersection Improvements which was the next alternate project on the roadway list.
