LAPP Project Amendments

Danna Widmar, MPO Staff

The LAPP program receives many requests for modifications to funding, schedule and scope. Many are minor and approved at the staff level. Currently, there is one project in the Town of Morrisville with a funding change request that warrants Executive Board review and action. Additionally, another project was recently declined by the project sponsor, Granville County. The declined project is provided for information only.

Requested Action: Approve LAPP Project Amendment on C-5168, Morrisville Crabtree Creek Greenway to include \$806,302 additional CMAQ/TAP funds with \$806,302 required local match.
