Triangle Region Intelligent Transportation Systems Deployment Plan Contract Approval Paul Black

The Triangle Region Intelligent Transportation Systems Deployment Plan was approved in the 2017-2018 UPWP and has been in development for most of the fiscal year. With the interlocal funding agreement in place and the procurement process wrapping up, we have a draft contract with the selected consultant and require the Executive Board's approval to move forward due to the overall \$399,398 value of the contract.

Requested Action: Approve the contract and direct the staff to proceed.
