### FY2020-2029 Transportation Improvement Program Gretchen Vetter, MPO Staff

CAMPO staff updates the Transportation Improvement Program (TIP) every two years. A draft TIP has been completed that meets the federal requirement stating that the TIP and STIP must be identical.

CAMPO's public involvement policy requires that the draft TIP be released for a public review and comment period and that a public hearing be conducted to receive comment on the draft TIP.

An Air Quality Conformity Determination Report is required as a supplement to the TIP.

Staff has released the Draft 2020-2029 Transportation Improvement Program and supplemental Air Quality Conformity Determination Report for public review and comment from September 11, 2019 to October 14, 2019 and schedule a public hearing at the October 16, 2019 Executive Board meeting.

**Requested Action:** Conduct a Public Hearing. Consider approval of FY2020-2029 Transportation Improvement Program and Air Quality Conformity Determination Report.
