### Northeast Area Study Update

Brandon Watson, CAMPO Staff

The Northeast Area Study (NEAS) was completed in FY 2014. The study evaluated land use and transportation issues in the northeastern section of CAMPO's planning area. The study covered parts of Wake and Franklin Counties, and the municipalities of Knightdale, Wendell, Zebulon, Bunn, Rolesville, and parts of Wake Forest, Youngsville and Franklinton. As with the Southwest Area Study in FY 18 and 19, the NEAS needs to be updated in order to prepare for the 2050 MTP. The update will involve extensive public outreach, and an evaluation of transportation projects, policies and priorities that may have evolved or shifted since the original study. The Northeast Area Study Update kicked off in February and is anticipated to go until June 2021. CAMPO staff will give an update on project work the past few months and a schedule moving forward.
