Triangle Regional Model Protocol

Chris Lukasina, CAMPO staff

The Triangle Regional Model Protocol is the governing document for the Triangle Regional Model. It establishes the regional partnership, process, requirements, and resources needed to develop and support the current and future Triangle Regional Model. Recent updates have been approved by the Triangle Regional Model Executive Committee. In accordance with the current Protocol, these updates require CAMPO Executive Board approval. A copy of the updated Protocol document is attached. The TCC recommended approval of the updated Protocol at their October 7, 2021 meeting.

Requested Action: Consider approval of TRM Protocol updates
