Triangle Bikeway Study - Triangle Bikeway ILA amendment
Kenneth Withrow, MPO Staff

The Capital Area Metropolitan Planning Organization (CAMPO) and the Durham-Chapel Hill-Carrboro (DCHC) Metropolitan Planning Organization have embarked on an Implementation Study for a regional bicycle connection from Raleigh to the Park Center site at Research Triangle Park in Durham County via a separated greenway type facility generally following the I-40 corridor; and a Feasibility Study for a regional bicycle facility between the Park Center site and US 15-501 (Forsyth Boulevard) in Chapel Hill; which will also address bicycle/pedestrian facility gaps along NC 54 in Durham County.

Additional funding has been incorporated into a supplement to the Design Scope of Services that includes (1) Stakeholder Coordination, (2) Additional 3D Modeling - I40 Durham County, and (3) Additional Feasibility Analysis, Coordination, 3D Modeling - Trenton Road To I-440.

The current Interlocal Agreement has been amended to include DCHC MPO as an additional funding partner for the supplement.

Requested Action: Approve the amendment and contract for the Study.
