FFY 2018 Locally Administered Projects Program

Danna Widmar, MPO Staff

As part of the LAPP Program, an annual modal investment mix is established to guide how available LAPP funding is programmed to meet the variety of needs in our regions multi-modal transportation network. Federal legislation provides for the continuation of federal transportation funds directly attributable to the Capital Area MPO. Additionally, the MPO receives an allocation from the Congestion Management and Air Quality Program (CMAQ) which is appropriated to the State of North Carolina. These federal sources will be incorporated into the funding program for FFY 2018.

Staff released the FFY 2018 Target Modal Investment Mix and Recommended Changes to the FFY 2018 LAPP Program for public review and comment from June 17th through August 17th, 2016.

Requested Action: Conduct Public Hearing, Adopt the FFY 2018 Target Modal Investment Mix and Recommended Changes to the FFY 2018 LAPP Program.
