DRAFT MTP 2045 Goals, Objectives, and Performance Measures

Chris Lukasina, MPO Director

The MPO staff has developed the draft goals, objectives, and performance measures for the 2045 Metropolitan Transportation Plan (2045 MTP/CTP). The draft is included as an attachment. The draft goals and objectives are designed to achieve the region's overall vision, and they are in compliance with the national goals established by MAP-21. For each goal and objective, potential performance measures have been recommended. The MPO staff is working closely with other agencies to complete the estimation of the performance measures.

Next steps in the 2045 MTP development include:

§ Completion of performance measurements and subsequent release for public comment

§ Completion of socioeconomic data guide totals and subsequent release for public comment (including 2013 and 2045 forecast values by county)

§ Executive Board approval of socioeconomic data guide totals, goals, objectives, and performance measures for use in the development the 2045 MTP, with final adoption taking place when the 2045 MTP is adopted.
