FY 2018 Unified Planning Work Program

Shelby Powell, MPO Staff

Each fiscal year, the MPO adopts a Unified Planning Work Program (UPWP) to outline the work tasks and programs that the MPO will conduct during that fiscal year. The document outlines major initiatives, such as the MTP and LAPP programs, as well as special studies and specific work products the MPO anticipates completing during the fiscal year. The FY 2018 UPWP is attached in draft form. In accordance with the MPO's adopted public involvement plan, this draft has been released for a public review and comment period starting on January 16 and ending on February 15 with a public hearing scheduled on February 15, 2017. The TCC has reviewed the document, and forwards a recommendation of approval.
