FFY2017 LAPP Available Funding Report

Gretchen Vetter, MPO Staff

The LAPP Program includes a tracking system of project specific funding obligation, as well as total available MPO funds, including CMAQ funds sub-allocated by the state. This allows staff to anticipate the amount of available MPO funding at risk due to project schedule changes that extend beyond the awarded LAPP funding year. With FFY17 coming to a close, staff will provide an update of Available LAPP Funding.
