FY2020 Locally Administered Projects Program Gretchen Vetter, MPO Staff

As part of the LAPP Program, an annual modal investment mix is established to guide how available LAPP funding is programmed to meet the variety of needs in our region's multi-modal transportation network. Federal legislation provides for the continuation of federal transportation funds directly attributable to the Capital Area MPO. Additionally, the MPO receives an allocation from the Congestion Mitigation and Air Quality (CMAQ) which is appropriated to the State of North Carolina. These federal sources will be incorporated into the funding program for FFY 2020.

Staff has released the FFY 2020 Target Modal Investment Mix and the Recommended Changes to the FFY 2020 LAPP Program for public review and comment from June 20th through July 21st, 2018, and scheduled a public hearing for the regular Executive Board meeting on August 15th, 2018.

Requested Action: Conduct a public hearing. Consider approval of the LAPP FY2020 Proposed Changes and Target Modal Investment Mix. Open the CAMPO 1-Call for Projects.
