The project team continues to advance planning and design activities for GoTriangle's new regional transit center, the Triangle Mobility Hub. Partially funded by Wake Transit, as project TC002-N, TCC will review the steps taken to develop the recommended locally preferred alternative (LPA). Informational presentations will be given in May. A 30-day public comment period will run from May 18-June 16, 2026. TCC is expected to consider recommending approval of the LPA to the Executive Board at its June meeting.
